

We are almost there!!

**Can you help
Athletics Canterbury
get over the line?**

*Athletics Canterbury's commitment to **Nga Puna Wai Sport Hub** was initially to provide the equipment only. We are investing close to **\$200k** in new equipment, so that we can successfully run events.*

Over the past two years, due to extreme weather conditions and design changes resulting in extra costs, that has changed. To ensure we get what is required to create a Class One Certified venue, we have now had to contribute to the build.

*This requires a contribution of a further **\$220k**. Fortunately, some of these extra costs will be covered by successful funding applications and donations, but not all.*

However, money that was previously tagged for equipment purchases, is now no longer available ...

... hence we need your help!

Companies or Individuals

If you are able to assist us with the purchase of larger equipment items in return for signage on the equipment or within the athletics arena, then please contact

Andrew Stark

President Athletics Canterbury

What have we achieved so far?

Over the past two years, various members of Athletics Canterbury have collectively spent over 5000 unpaid hours on your behalf, working with the CCC, designers and contractors to ensure we get the best possible facilities for our athletics community ...

... however, we need your help to get the job done!

Nearly completed is the photo-finish / control room at a cost of about \$650k!

We successfully fought to get this building!

Why do we need your help?

The above picture is of the outer throw zone area, currently being worked on.

Due to design changes to make this a more workable space for all, Athletics New Zealand and Athletics Canterbury have recently committed additional funding of \$150k to ensure the majority of this work is completed.

However, to fully complete this section of the project in Stage 1 and to be able to purchase the equipment we need now, we require a further

\$40,000 by 30th September 2018.

If we delay this work, it will cost more and we risk it not happening for years, if at all!!

Please make your donation into our Westpac Account Number 03 0802 0046350 002

Please use your name as a reference, then e-mail Daniel Reese (secretary@athleticscanterbury.org.nz) if you require a receipt.

Athletics Canterbury is an Incorporated Society (No. 220900) and a registered Charity (No. CC39446), therefore ALL donations are tax deductible.
